If so, please explain your experience:

Served on La Mesa Hilltop and La Jolla Village Park (204 units) boards. On both Boards I served in the areas of Secretary, Treasurer, President, and Director at Large. Also served on Architecture, Paint, and CC&R and Rules Re-write Committees.
Currently retired, but was employed by the US Navy / DoD as a Systems Engineer and held leadership positions on various projects, involving review and development of technical details, collaboration amongst multiple teams and senior leadership, and developing budgets for aspects of various projects.

How could your experience benefit the Association?

Serving in a wide range of prior Boards and Committees has provided me a well-rounded understanding in the areas necessary to guide a Home Owner Association (HOA). Participating in a large variety of teams, both project and inter-organizational, has provided me with a good set of skills to work through issues and accomplish tasks. Having served on the LMH Board for several years affords continuity and a good understanding of the varied issues facing us over the last few years.

Why would you like to serve on the Board of Directors?

My desire is to maintain and enhance the value of our homes and area. Continue the work for landscape improvements. Ensure that our Reserve funds are maintained according to the most recent analysis reports. Ensure the HOA gets good value for the funds it expends.
